Notification: Colon Screening Program Follow-Up Recommendations

PROCEDURE INFORMATION

This patient was booked for a colonoscopy through the Colon Screening Program with Dr. [Colonoscopist's name] on [Date of colonoscopy].

Reason for Colonoscopy:
[-Surveillance reasons]

[An unplanned event was reported the day before or in the two week period immediately after the booked colonoscopy date:]

- [-Bowel Preparation Complication:]
- [-Perforation:]
- [-Bleeding: Anticoagulant was used]
- [-Bleeding: Anticoagulant was not used]
- [-Cardiac:]

NEXT STEPS:

This patient will be re-called by the Colon Screening Program for colorectal cancer screening with FIT in 10 years. This recommendation replaces biennial FIT screening.

REFERENCE INFORMATION

The colonoscopist and health authority staff are being sent copies of this letter to validate that the correct follow-up information has been captured for this patient. Please document any requested corrections below, sign and date, then fax to 604-297-9340. An amended letter will then be generated. This letter was sent to: [Family Physician; Colonoscopist; Colon Colonoscopy Referral Center].

If your patient has changed their address, please contact the program at 1-877-702-6566 so we can update their information.

For more information on the Colon Screening Program, please visit www.screeningbc.ca/colon
